

MEMORIAL BENCHES AND TREES POLICY

Introduction

All requests for memorial benches and trees will be fully considered by Wendover Parish Council (WPC). WPC supports the needs and principles of allowing memorial benches and trees in its parks and open spaces. WPC is mindful that these facilities are enjoyed by a wide range of people and will therefore ensure that the issue is managed and regulated for the mutual benefit of all.

This policy will be made available to the general public and all applicants for memorial benches and trees will be issued with a copy.

Objective of the Policy

The policy will ensure that only memorial benches and trees are erected which are instigated by the next of kin or executor and that benches have a common appearance, style and size in keeping with WPC requirements. All benches and trees will be selected in consultation with the donor and furthermore will be approved by WPC.

The policy will establish responsibility for maintenance, repair and replacement.

WPC will endeavour to offer the highest standards of service in undertaking its management and regulatory responsibility.
