

## Wendover Parish Council – Parking

The Council owns one small car park at Witchell Meadow.

The car park is located on the edge of Witchell Meadow recreation ground close to the centre of Wendover and is well used by walkers and families for recreation purposes.

**Address – Witchell, Wendover, Buckinghamshire HP22 6EG**

The car park is made up of a grasscrete surface and provides 61 spaces. Grasscrete is a cellular reinforced surface that is cast on site to provide hard standing whilst allowing grass to grow through to produce a natural but load bearing and well-draining surface.

There is no fee to park, hence there is no income to declare.

The Council has a Policy for users. The Witchell Car Park Policy can be found here.
